## Girls all dolled up for charity event

In the photo below, Marina Gonzalez, left, carrying doll Josefina, and Hannah Greenough, carrying doll Kirsten, are about to take the stage at the American Girl Fashion Show on Saturday at Meydenbauer Center in Bellevue.

At right, American Girl dolls with freshly styled hair await their owners' return at the salon, where styles were \$10 and \$15.

The event, a fundraiser for the uncompensated-care fund at Children's Hospital & Regional Medical Center in Seattle, continues today at Meydenbauer Center. More information is at [www.starguildfashionshow.org](http://www.starguildfashionshow.org).
